Tuition fee policy is subject to change by SolBridge Administration

***The tuition fee for students who are under two-year Dual Degree Agreements is **fixed as a program**.

*In case a dual degree student chooses to take intersections, a special scholarship of 100% is given to them only for their intersections. For their Regular semesters, students will continue to follow the Merit-based scholarship Bracket as well as all other requirements for each semester. Please note that the **special scholarship will no longer be eligible** once the 2-Year dual degree agreement student is considered **an over-year student***

The Finance Office is located on the 5th floor of SolBridge to assist students with scholarships and tuition fee inquiries. For general inquiries about tuition fee, please write to: solfinance@solbridge.ac.kr
